HOW TO BOOK YOUR HOLIDAY

Normally, it takes just one quick and simple call, email or click on our website to book your holiday. Occasionally, we may have to call you back if we need to check room availability, especially for late bookings. We're always pleased to see customers at the office if you prefer to book in person or if you would like any extra advice or assurance. Your reservation will be provisionally held for 14 days whilst you complete the booking form and confirm that you have read our Financial Security Statement, BCH ABTOT Trading Charter and the tour itinerary - all of which we will provide or are available on our website. Then, return your completed booking form by post/email, along with your **non-refundable deposit of just £50 per person** (or the full amount if you are making a reservation less than 8 weeks before departure). We accept payments by cheque, credit card, debit card or cash (at our office). On receipt of your booking confirmation, please check that the details are correct and make a note of the balance due date, as we do not send reminders. Receipts can be sent on request. Your travel ticket will be sent to you approximately 7-10 days before departure and it will show both the time and place of departure for your holiday. Please notify us if you have not received your ticket within 5 days of departure (or if you lose your ticket).
